[Skype for Educators](#) and [Skype in the Classroom](#). – find classrooms to skype with

<http://storybird.com/books/> - digital storytelling

Are there any Chinese teachers out there who teach AP Chinese? I have a website www.apchinese.webs.com (more are to come) where any AP Chinese student can join in for a Skype chat. I think students must be curious about what AP Chinese students in other states are learning and how well are they learning. They can also make friends on our AP Chinese Skype.
